

Holocaust History, Memory & Representation *Poland & Germany / 9-18 June 2019*

Join the Johannesburg Holocaust & Genocide Centre as we launch our pilot “*Travel and Learn*” programme. Drawing on years of expertise in the field, as well as our engaging and dynamic educational methodologies, this 10-day trip offers a unique opportunity to explore Holocaust history, memory and representation.

Led by JHGC Director and historian, Tali Nates, the programme will explore memorial sites and museums, as well as engage with local experts throughout our travels. This tour is open to the public and particularly suitable for those with a passion for human rights and history.

Participants will be required to attend a preparatory course at the JHGC prior to departure.
Spaces are extremely limited.
